

## **Webre-Sherrill Insurance Advisors**

Good Morning, everyone. My name is Clark Webre Jr. I am the principle owner of Webre-Sherrill Insurance Advisors. I have over 38 years of experience in the insurance business. We provide personal & commercial lines of insurance for individuals & companies.

On the personal lines side, we write homeowners, auto, landlord, renter's policies, motorcycles, RV's & ATV's, & boat insurance. On the commercial side, we write commercial general liability, professional liability, directors & officers, errors & omissions, workmen's compensation, commercial property buildings & contents, commercial trucks, small business package policies. In our business we want people to understand what their insurance is all about & how it works. We want to give them choices in their coverage's, so that they can feel confident that they are properly covered.

The clients that we are looking for are someone that is not happy with their current insurance company, or who really wants to understand what they are really covered for under their current policy. Not all insurance policies are the same! You do not want to find out about your insurance coverage's after a claim.

Again, my name is Clark Webre Jr. with Webre-Sherrill Insurance Advisors.

We have a "Web" of Quality "A" rated companies ready to go to work for you!

Thank you!
